

## ➤ GENERAL UTILITY

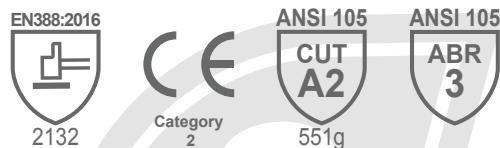

GUG

## VERSATILE PROFESSIONAL GRADE

When Ironclad created the High Performance Work Glove category, we started with this glove. The original multi-purpose and professional grade utility glove featuring: excellent dexterity, fit & comfort, durable fabrics, reinforced zones, low profile knuckle impact protection and our exclusive hybrid cuff system. Universal appeal and superior performance of the General Utility Glove is the reason it is our best-selling glove for 20+ years.
